# THE CAPITAL DIFFERENCE

## EXPERIENCE

When you want to upgrade the exterior of your home, or your commercial property, there is no better team for the job than the experienced professionals of Capital Construction. We are licensed, certified, and insured to perform any of your exterior remodeling plans.

## CARE

For your exterior home remodeling needs, you can trust our award-winning staff to treat your project with the greatest care and attention to detail.

## TRUST

You can learn a lot about a contractor based on what others think of them, especially their previous customers and the certifications they hold. You deserve more than a standard interview when trusting your home renovation project to a contractor. Capital Construction Contracting, Inc., can supply years of references, and reviews from reoccurring customers. Our goal is to be your contractor for life!

## CHOICE

Wide selection of the highest quality products available to New England residents.

## SERVICE

We're also BBB-accredited and a member of the Certified Contractors Network. For you, these designations **guarantee** top-quality home remodeling that's always done to manufacturers' standards, and covered by impressive manufacturer warranties. Unlike many exterior remodeling companies, we go the extra mile by providing our own labor warranty, too!

## CONVENIENCE

**Smart Financing Options For New England Homeowners.** Capital Construction Contracting, Inc., offers stress-free financing options for homeowners. During a consultation, we can discuss with you our financing options designated to fit your specific project. Our financing options cover work for roofing, siding, decking, windows, doors and masonry, we will help make the entire process easier. Capital Construction Contracting, Inc.'s in-house financing options were designed with you in mind, which means we want your project to go as smoothly as possible, including the financial investment. Call us today at **617.319.1225** to further discuss details of our financing options available in Massachusetts, New Hampshire, and Rhode Island.

# SIDING

## TYPES OF SIDING

**James Hardie:** This fiber cement siding is sturdy, long-lasting, and dazzling to look at. We're a James Hardie Preferred Elite Installer and Boston's #1 Contractor, so you can always expect perfect installation with us!

**Alside Vinyl:** Alside know how unforgiving the weather can be in New England, at Capital Construction we are happy to provide you with all of the benefits that their siding can offer! It's specially designed to require minimal maintenance while being immune to water damage and more environmentally friendly.

**Maibec Wood:** If you're looking for wood siding to enhance your home's appearance, why not go with our undisputed first choice in Maibec wood siding? Flexibility is Maibec's most noteworthy feature, and you'll get it in spades when you install it with Capital Construction. With plenty of different colors and raw materials at your disposal, there are plenty of ways to customize your home's siding!

# DECKING

## TYPES OF DECKING

**Trex Decking:** When we install Trex Decking, you'll be giving your home the most polished and low-maintenance materials on the market. Trex decking is designed to have the look and feel of wood decking without the problems that come with aging wood. You won't have to worry about compromising on your deck's appearance!

**Mahogany Wood:** The deep red color of our mahogany wood decking is attractive to both homeowners and houseguests. It's ridiculously durable and easy to install, so you'll get the best of both worlds when you install mahogany decking with us!

**Standard PT Decking:** Enjoy a safe, beautiful deck. Over time, decks sustain some normal wear and tear. With the proper maintenance and repairs, you will be able to enjoy your deck for many years to come.

## HISTORICAL WORK

- Ebenezer Hancock House, Historic Landmark, Boston, MA
- Gilman Chapel, Cedar Grove Cemetery, Dorchester, MA
- New Korean Light Church, Waltham, MA
- USS Constitution, Navy Yard, Charlestown, MA

*In the summer of 2016, Capital Construction was honored to perform partial restoration work needed on the USS Constitution in the Charlestown Navy Yard. The quarter galleys of "Old Ironsides" were covered with old lead roll roofing that was weathered and battered. Capital fabricated the custom-made quarter galleys, restoring them to their natural copper beauty!*
